Principal's Message

Last Thursday all of our students had the pleasure of attending a workshop to learn about the Royal Flying Doctors Service. In the workshops, students were able to climb aboard a life-size replica of a working plane. In the plane they were able to explore all the replica medical equipment aboard and communicate with each other via the radio headsets. Students wore Virtual Reality goggles and engaged in a Virtual Reality flight with a patient on-board. Senior students made paper planes and competed in a paper plane throwing contest. Congratulations to Josh for winning the Red Room competition, Lukas and Emily from Orange Room and Chase and Gemma from Purple Room.

School Lunch Orders

Hooray! We have managed to secure a deal with the Bruthen Blue Bee Café and have a regular (fortnightly), lunch order for our students. School lunches have always been a valued support for our fundraising efforts and whilst School Council endorses this incentive, we are requesting a voluntary donation of \$1.00 for each lunch order to support our school fundraising goals for 2021. We will provide termly updates on how much money we raise through the orders and what the funds will be going towards. If you are unable to donate, please deduct one dollar from your order. Our very first lunch order will be next **Thursday 25th of March**. Order forms and payment envelopes will be sent home with your children this Friday. **Orders are due no later than Wednesday morning 24th March**. Please ensure you complete **one order form per student** so the lunches can be easily distributed to the students. No late orders will be accepted. Thank you for your support.

Parent-Teacher Interviews:

Next Monday and Tuesday – please make your booking through Xuno or contact the office.

Last Day Term 1

Our last day for students is Thursday 1st April we will have an **early dismissal time of 2:30pm** and **After School Care will not be operational**.

School Fees:

School fee payment arrangements and family statements are being sent home with your child tomorrow afternoon.

Cross Country:

Our Cross Country event will take place with our TUBBS network on Tuesday 20th April (first Tuesday back of Term 2), with a 'back up' date of Thursday 22nd April. More information will come out closer to the event. Get training Tambo!

Stormbirds Program

The Stormbirds program has commenced, being delivered by our school's Bushfire Practitioner, Kelly Duncan and one of our Wellbeing Facilitators, Kate Brown. This program has been designed to support students in their bushfire recovery. Many thanks to Windermere Child and Family Services for their generous donation of \$500.00 in support of this program.

Have a fantastic weekend Tambo families!

Carly Miller
Principal

Tom and Judy came to visit from the Royal Flying Doctors Service with their simulator. Tambo kids had a great time exploring the plane and learning about the RFDS.

Blue Room Plein Air Artists. Blue Room students took advantage of our two school buses and the fine weather to visit a local farm and draw the Poplar trees.

Russian Dancing during Language and Culture and a visit from Drago the water dragon.

From East Gippsland Water –

Looking to strengthen our community connection

Do you have an interest in water and wastewater services in East Gippsland? Could you provide invaluable feedback on these services and fairly represent broader customer views?

East Gippsland Water is seeking additional members to join its Customer Committee – to further strengthen its connection and engagement with customers.

The call for new members is particularly timely. Preparations are underway for a comprehensive program of engagement that will consider East Gippsland Water customer priorities, needs and preferences and help drive how the organisation will develop into the future to serve its customers and the community better.

The Customer Committee has a key role to play in ensuring customer views are carefully considered in relation to East Gippsland Water decisions on important water and wastewater issues, including future service priorities.

These are volunteer positions. The committee usually meets every three months and reasonable travel costs will be covered.

Members must be East Gippsland Water customers and will be appointed based on their ability to represent broad customer views.

The deadline for applications is 5pm, Friday 26 March, 2021.

For more information and an application form please go to East Gippsland Water's website egwater@vic.gov.au.

Alternatively, call 1800 671 841, or email hr@egwater.vic.gov.au.
