## Principal's Message

### Cross Country @ Buchan Caves

It was such a pleasure to be able to attend the 2021 Cross Country event on Tuesday after missing out last year due to COVID-19. For many of our students, this was their first event - and their first ride on a big bus...very exciting! Of the 6 schools who attended the TUBBS cluster event, Tambo recorded the most students finishing in the first three places, but more importantly our students were recognised and commented on for their encouraging, supporting and team spirit – which is something we should all be very proud of!

This coming Monday, some of our runners will compete in the Division Cross Country event held at Nagle College. We wish Connor, Haylo, Thomas, Tamenga, Frankie, lylah and all the TUBBS students involved all the best as they compete at the next level. Go Team TUBBS!

### ANZAC Day march at Bruthen

This Sunday is ANZAC Day and all Tambo Upper PS students are invited to wear their school uniform and join the ceremony. We will assemble 8:25am at the Bruthen Corner Garage for the march to step off at 8:45am. There will be a light horse riders in period uniform and Joe Murphy from Purple will be reading a poem on behalf of our school community. We hope to see as many of you there as possible.

### Student Lunch Orders

Our school lunch orders have again been another great success and we managed to raise \$76 in donations. We have raised a total of \$180 in donations from the last two lunch order days – I will keep you up to date and let you know our term total and what the raised funds will be purchasing. Please make note of the date of the next lunch order, as late orders cannot be accepted. Orders need to be in before recess on the due date please.

### Learning at Tambo

We have been learning about 'time' and doing really neat handwriting. We know what 'half-past' and 'o'clock' is. - By Brock

In Blue Room we have been choosing new reading goals and have been learning about 'time' in Maths. - By Lylah

In Red Room we have been learning about 'time' and we know that every 60 minutes is another hour and every minute is 60 seconds long. During Reading Groups we are looking for sentences that have lots of details and sound really good (6+1 Writing Trait: Sentence Fluency). - By Chase

In Purple and Orange Rooms, we have been learning about the 6+1 Writing Trait of Sentence Fluency. We are working on our TEEL paragraphs - ask us all about these! In Maths we have been learning how to work out the area of a triangle and a rectangle. We have also been working about division with decimal and fractional remainders. – Anonymous.

Students have all settled in happily and focused to the new term and we look forward to a very busy term ahead that is full of learning. Have a great weekend everyone and happy learning!

Carly Miller  
Principal
