Principal's Report

Mother's Day Morning Tea

The Mother's Day Morning Tea was a huge success last Thursday with plenty of mums, nans and other important people in the kids lives attending. Scones, slices and cups of tea and coffee were all on offer and well done to the students who waited on their guest. There was a fair bit of background work that went into catering and organising this event and with this mind I'd like to give a big thanks to the Fundraising and Events committee comprised of Tash, Claire and Sam. Thanks also to Alix and Deb who were on deck early to help with the setting up. Further to this I hope all the mums received some nice treats that the students purchased from the Mother's Day Stall. The gifts were sourced a little differently this year, thanks to Erica, Rach, Shelly and Lucy for organising the gifts.

Attitude to School Survey

Over the course of the next 2 weeks students from Grades 4 to 6 will participate in the annual Attitude to School Survey. This is an initiative by the Department of Education and is a very useful tool in seeking out students feedback about school. In particular, students will answer survey questions related to their connections to the school, with each other, their own attitudes towards learning, the support they feel they get from staff and students, and their experiences with online interactions with their peers. If you would like further information

about the survey please touch base with me. As a further note all student responses are confidential and anonymous, none of the data gleaned from the results are traced.

Chickens are Back

Thanks to Riveena, we now have some new chickens back at our school, we have 4 hens and one rooster, so given some time our little brood could increase. Zarli and Jenny have been attending to our new additions and have been ensuring they are getting lots of care, love and food. Soon they will be free roaming around the school for all the students to enjoy.

Welcome to Jennifer Saunders

This week we welcome Jennifer Saunders to our school who will be working in an Education Support role. We are very excited to have her onboard as she brings to our school a wealth of experience supporting students with a range of diverse abilities and needs. Jennifer will mostly be supporting students in Red Room this term.

AFLW Hawthorn Players Visit our School

It was great having Naz, Jaz, Emily and Grace visiting our school this morning. The players answered all sorts of questions fired at them by our students ranging from who is your favourite team to what is the worst injury you have ever suffered from playing footy? The players were very generous with their time and even had a kick of the footy with kids after signing many autographs

Principal.
