## Principal's Report

### Laptop/ Ipad Usage Agreement Form

Accompanying the newsletter today your child will have brought home with them a form outlining their roles and responsibilities when using a laptop or iPad. Currently, all students have a laptop which is assigned to them for their use at school and these are provided to students through leasing arrangements which are paid for by some of the money that is received by parent voluntary contributions (your child's school fees). Unfortunately, a number of laptops/ipads have been mistreated and have needed to be repaired at a cost to the school. The form outlines that the child is responsible for the proper use and care of the device when they are at school, this includes:

- Ensuring it is returned to the secured charging dock at the end of each time they have used it.
- Handling it in a safe and careful manner.
- Only using the device which has been assigned to them.
- Improper use and care of the laptop which has resulted in the device needing to be fixed will be charged to the child's parent/guardian.

I have also spoken to the students today about the reason for the agreement form being put in place and by signing the form, it acts like a contract which means they are responsible for the correct care and use of the device. Please ensure the agreement is signed and returned to school ASAP.

### Long Service Leave

For the last week of this term and for the first week of next term I will be on Long Service Leave. Rachel Kennedy will fill the role of acting principal and Mr Ken Jeanes will replace me in the classroom and he will also be a support to Ms Kennedy (Mr Jeanes is a recently retired principal who has worked in this area for many years).

### Reports and Parent Teacher Interviews

It's already getting to that time of the year where reports are being written and parent/teacher interviews are soon to take place. This semester we thought we would combine the handing out of reports with a parent/teacher interview so that the report could be unpacked by the teachers in greater detail, and provide parents/guardians with the opportunity to address any questions about the reports straight away.

Parent/teacher interviews are scheduled for Tuesday 13th June with Purple and Orange Room beginning at 2:00pm and all other classes beginning at 3:30pm. All interviews will be in 10 minute intervals. You can make a booking using the Xuno platform or by giving us call in the office and we will book the time for you. There are instructions on how to make a booking via Xuno and on our Facebook site.

If you can't make that time we will be able to accommodate an interview for you at another time, once again just touch base with us. Please keep in mind however that the date and time scheduled for the interviews is the most ideal and convenient way for our staff to engage with you for an interview. Children are also more than welcome to attend.

### Reconciliation Week

Over the course of last week and this week all of our students have been participating in learning experiences to deepen their knowledge about Reconciliation Week. In particular, Red Room did a fantastic showcase for assembly this week highlighting the very important reasons why we acknowledge Reconciliation Week.

Mark Chandler,  
Principal.

# GOLDEN FRAME

Our teachers will be selecting a student or students learning to be shared and to celebrate the wonderful efforts or growth they have shown in their work.
