Footy Colours Day

It was great to see so many students wearing their favourite footy colours last Thursday, although it was a little unsettling to see so few Brisbane Lion supporters, something I'll need to continue to chip away at. I think the Pies and Saints took out the honours for the most supported teams. Our day also culminated in a footy clinic for each class and a big shout out to Tom who ran the students through some fun and skill building activities. We also had a Staff v Year 6 students footy match at lunchtime which was also a heap of fun and included some good spirited competition. After some frantic efforts by players from both teams the final outcome showed that the staff come out on top. Well done to all involved, it was a great bit of fun that was played in the right spirits. Hopefully next year's game is equally as enjoyable.

Free Movie Night at Sun Cinema

Thanks to the hard work by our Fundraising Sub Committee we have been able to organise a very low cost movie experience for students and parents/guardians at the Sun Cinema in Bairnsdale. Students of Tambo Upper Primary School and parents/guardians will be able to attend a \$5 per person screening of the new Teenage Mutant Ninja Turtles movie on Friday 8th September at 6:30pm. More details to come shortly but in the meantime please save the date.

Fundraising Sub Committee

As already mentioned our Fundraising Sub Committee do an amazing job throughout the year and have played a pivotal role in creating a number of fun and well attended fundraising events over the years. In more recent times, this work has been supported by only a few people and the Fundraising Committee is very keen for new members to join, share their ideas and to help. Please touch base with the office and we'll get you onboard.

Mark Chandler,
Principal.

Principal's Report

Australian Maths Competition

Well done to the 20 students across Red, Orange and Purple Rooms who participated in the Australian Maths Competition on Wednesday morning. This is an Australian wide competition which is open for students from Year 3 to Year 10. We are very proud of the students who put their hand up to have a go at testing their maths knowledge and skills. The testing was very rigorous and went for about an hour, we look forward to seeing the results soon.

District Athletics Competition

Congratulations to the 18 students who represented our school at the District Athletics Competition yesterday. All of our students gave their all and there were a number of personal bests achieved. A special mention to the u/11 girls relay team and Florence who will go onto the Divisional stage. Thanks also to Mel Baker and Sarah Cooper for helping us with getting our students to and from the event.

Prep Enrolments and Rainbow Room

Whilst it's a little scary looking towards next year already, we are looking at our enrolment numbers for next year. Our Rainbow Room is being well attended and Riveena and Megan are doing a fantastic job with our Rainbow Room students to prepare them for next year in a supportive and caring learning environment. If you are aware of families that are considering schooling options for next year could you please encourage them to make contact with our school.

GOLDEN FRAME

Our teachers will be selecting a student or students learning to be shared and to celebrate the wonderful efforts or growth they have shown in their work.
