Principal's Report

Welcome Back to the 2025 School Year

Great to see all the children return to school healthy and well, and with big smiles on their faces. We have had a really good start to the term with students familiarising themselves with their new classroom routines, behaviour and learning expectations. Students have also had a great time reconnecting with their friends and playing with each other out in the yard. It's been great to see students wearing their sunsmart hats during recess and lunch during the hot weather.

Meet and Greet your child's 2025 teacher

Information was communicated earlier in the week about our Meet and Greet afternoon next Tuesday 11th February. We have staggered the start time for each of the grade presentations to enable parents with children in multiple grades to be able attend. A short presentation will be made by your child's teacher explaining the weekly timetable, home reading expectations, communication platforms Dojo and Xuno, the literacy and numeracy focus for Semester 1 and the Respectful Relationship program we are implementing this year. Looking forward to seeing you next Tuesday.

Student Leadership Presentations

Our Year 5/6 students have been busily working on creating their leadership speeches since we have returned to school and yesterday all the candidates presented their speeches. Like last year our leadership roles include School, House, Art and Wellbeing captains, with the inclusion of STEM (science) and Building and Maintenance captains this year. All students and staff will vote on their preferred captain for each role. Candidates will also sit down with me for an interview with students being notified next week who is fulfilling which roles.

School Council Nominations

School Council members play a very important role in the governance of the school. Each year all positions on the council are open and we always welcome new members. Tambo is extremely lucky to have a rich history of a committed school council members, and their role in overseeing curriculum and policy matters, financial accountability and building and grounds decisions have played a big role in developing the great school we have today. If you would like to be part of the team, please touch base with me and I can discuss with you the role in more and provide you with a nomination form.

Playgroup

The playgroup has started this week and like last year we invite families with toddlers to come in a be part of the play based program. Playgroup is on Mondays at 9:30 am and is hosted in the hall.

Be Safe, Be a Friend, Be Respectful, Be a Learner, Be Responsible
