Principal's Report

Book Week Celebrations

Our book Week celebrations are quickly approaching us and the classrooms have begun creating their decorations for our annual Book Week Window Decoration competition. This year's theme is 'Book and Adventure which encourages young readers to explore new worlds and embark on literary journeys through the power of stories. It also celebrates the 80th anniversary of Children's Book Week. We will be hosting our Book Week celebration day on Thursday 21st of August and as usual we will start the day with our Book Week parade followed by our window decoration showcase and voting. Traditionally this has been a very well attended event by parents, grandparents and other guests and we warmly invite you to attend again this year. The students and staff are looking forward to seeing you at 9:00am to join in the festivities.

TUBBS Athletics

After a postponement due to inclement weather last Friday the TUBBS Athletics day was able to go ahead this week on Tuesday. Our Year 3 to 6 students did an amazing job competing in all the events and their efforts to connect with the other TUBBS school students was great. There were plenty of rosy cheeks which is always great to see and many of our students

achieved personal bests. For many of our students they will now make it through to the next stage of competition at the District Event on Thursday 14th August at Howlett Park. Students will be notified on Monday of their events and a letter home to parents will also be sent home

Another Successful Grant Application

The hard work that Riveena has been applying to grant submissions is certainly paying off and I can proudly announce that we have been successful in our application to receive a major grant to upgrade the roof of the hall through the Gippsland Community Foundation. Our beautiful hall is certainly going to be sparkling in the coming months with the refurbishment of the floorboards and a new roof.

Tambo Spelling Buzz

After the success of the inaugural Tambo Spelling Buzz Competition last year we are hosting another one in a few weeks time. Today an extensive list of words was sent home with your child that will be used in the competition. Each year level has its own list of words which are taken from the spelling program the students have been using this year. Students and parents are encouraged to use these word to practise with over the next few weeks. Like last year, classes will host their own competition that will lead into a whole school competition divided into junior, middle and senior. Further details will be communicated as we get closer to the event.

Bairnsdale Speedway Fundraising Opportunity

On the back of the newsletter this week there are some details about a fantastic fundraising opportunity for our school. Each time we support the running of their canteen our school will receive \$600. Based on responses I will put together a roster and touch base with you about further details. Thanks in advance for your support.
