Happy Fathers' Day

On behalf of the school I just wanted to wish all the fathers and the father figures in our community all the best. I hope that you receive some nice gifts and a card with a heartfelt message.

Building Works

Over the next 2 weeks and into the holidays there will be some building works happening to our Safety in Place Building which is Yellow, Blue and Red rooms. Works are being undertaken to improve its capacity to withstand a bushfire. This work is financed by the Department of Education and is of no extra cost to the school, with a view that in the aftermath of a fire, we would still have a building that could be used to continue our normal school routine. Consequently, there will be some minor disruptions to how we access our classrooms and some areas of the yard will be closed. For the most part, it will be action as per usual.

Parent Opinion Survey

Thanks to the 10 families who have completed the Parent Opinion Survey, your feedback is greatly appreciated. This year more than ever your feedback is needed as the school is about to undertake its Strategic Plan development which will guide our school over the course of the next 4 years. Information gleaned from your responses will certainly help inform our strategic direction. Details below will outline how to access the survey.

To complete the survey simply:

1. Type this link into your browser. This link will take you directly to the survey.

Principal's Report

Book Week Parade

Our Book Week Parade was a huge success last week with all our students and staff embracing the notion of dressing up as their favourite book character. It was also great to see so many community members come and support the students for the parade and also be part of the voting for the best dressed window. As you will see from the photos the efforts made were fantastic and certainly helped to make for a fun and special day.

We may need to change the best decorated window award to the Ms K Award as Purple Room took out the honours for a fourth straight year in a row. More importantly it was great to have so many parents, grandparents and community members come into the school and have a look at each classes display

Congratulations to the following students who were awarded, by our 2 teacher and 2 parent judges, as the best dressed for their class: Ruby H, Mackenzie, Airly, Phoebe and Cole

Tambo's Got Talent (TGT)

T.U.P.S is full of talent and it's going to be on full display very soon. Our students will be auditioning over the next few weeks with the TGT Show being hosted on the 13th September. Parents, relatives and friends are all encouraged to come watch the performances.

House Athletics Carnival

Hopefully we can continue the momentum with parent/guardian participation with our House Athletics Carnival on Thursday 7th September at school. Having been absent from our events calendar over the past few years we are all looking forward to having some fun and competing. It would be great to have a huge turn out and if you can make it for some or all of the day we would love to see you.
