## Principal's Report

### The Greatest Show- What a Performance

The Tambo Upper students certainly stole the show at our whole school play in the last week of Term 3. The kids were simply amazing and the feedback from parents and the community has been very positive to say the least. Like you, I'm still in awe of their confidence and courage to get up on stage and perform their part. Fortunately, you can relive the whole show again as we were able to secure a recording of the production. The footage can be found on YouTube and is uploaded as unlisted which means that the video is not accessible for the public to see and the only way to view the production is through the link. Here is the link <https://youtu.be/OUyOndOYpYQ>. Hayden also sent out a Xuno message on Monday with the link embedded in the message for you to click on and access the performance.

### Swimming Program Begins

We are straight into the swing of things with the Swimming Program beginning this week for all students. Blue and Yellow Rooms will attend on Tuesdays with Red, Orange and Purple attending on Wednesdays. Sessions at Lakes Entrance indoor pool begin at 12:00pm and finish at 2:00pm. Please touch base with me about your child's involvement in the program if you have any questions.

### School kitchen face lift

Our school kitchen also received some TLC over the holidays thanks to Megan and Mel. It's amazing what a fresh coat of paint can do to brighten up the place. No doubt the kids will enjoy the refreshed cooking space.

### Goal posts are in

Our school oval had another addition over the holidays and as you may have noticed we now have goal posts in place. Each of the goal posts are characterised by every student's handprint using the same colours as the ones on the aboriginal flag. This was done as a sign of respect for the numerous indigenous artefacts that were found during the excavation phase. A big shout out to Frog and his team for installing the posts in such a professional manner and to the Lindenow Football Club who donated the posts to our school.

### School Saving Bonus

As shared with you previously, parents and carers of every child enrolled in a Victorian government school in 2025 will receive the one-off School Saving Bonus \$400 support. In the coming months, the Department of Education will send you 2 email communications for each of your children enrolled in Victorian government schools. By Friday 18 October 2024, please ensure your email contact information with the school is up to date. If your email information has changed recently, please touch base with Hayden in the office and he will make the required changes.

The 2 emails from the Department of Education will:

1. Confirm your email address between mid-October and late-November.
2. Provide you with your unique \$400 School Saving Bonus code by the end of November.

If you do not receive a confirmation email from the department by late-November, please check your spam or junk folders and contact us in the office.

Principal,  
Mark Chandler.
