INTERSCHOOL CROSS COUNTRY

Next Friday 24th March, students will be heading to Buchan Primary School to participate in the cross country. The Prep to Year 2 students will participate in a shortened version with our Year 3 – 6s participating in longer runs.

Parents and friends are more than welcome to attend. Buchan PS will also be hosting a fundraiser sausage sizzle after the event with sausages costing \$2.50 and veggie burgers \$5.00. Students will be required to wear school uniform and appropriate footwear. Our Rainbow Room Program will still be on with Riveena and a teacher remaining back at school.

EASTER RAFFLE

A big shout out to the families who have already donated to our Easter Fundraiser Raffle. There have been a number of items trickling in and all will go a long way to making some lucky prize winners very happy as they celebrate Easter. Please continue sending donations if you haven't already done so. Money raised from this event will go towards purchasing a data projector screen and sound system for the hall, hopefully in the near future will be able to start hosting our own movie evenings. The easter raffle tickets are also attached to this week's newsletter and we hope that you can sell all of your families allotted tickets.

HOME AND SCHOOL PARTNERSHIP

As we continue to move through the term I just wanted to take this opportunity to acknowledge the positive partnerships that are being forged with parents/guardian and our school staff. My observations and experiences at Tambo have demonstrated that parents are very supportive of the efforts that the staff make when dealing with challenging behaviour. Often this requires a call home and the level of support and engagement provided by the parents fosters a unified approach that strengthens our endeavour to develop kind, considerate, independent and community minded people. Raising our children requires a team effort and fortunately we have solid foundations between home and school.

Mark Chandler,
Principal.

Art News

Edition 2
Term 1 2023

What a **wonderful** start we have had in the Art Room this year! All the students from all the rooms are coming to Art ready to be creative and are all so engaged in their learning and artworks.

Yellow, Blue & Red Rooms have completed colour experimentation, bubble printing, work on lines and just recently added details to their bubble printing artwork.

They were inspired by artist Asher Bilu and his work 'The Forms that Swim and the Shapes that Creep Under the Waters of Sleep'. They

added pencil line details and created oil pastel shapes to form imaginative creatures that creep in their mixed media artworks.

Orange & Purple Rooms experimented with primary colours to create secondary colours and completed a colour wheel. They have spent the last few weeks working on Pete Cromer inspired artworks using watercolours and collage. Their artworks are all coming together, and I can't wait to see and share their finished pieces.

Donations: Thank you to all the wonderful families who have donated bits and pieces to the Art Room – we are very grateful. A big thank you to the local Bruthen Op Shop who donated some wool for future artworks.

The Art Room is currently requesting donations of:

- Wool – these can be ply and any colour
- Newspaper

Art Smocks: It is not too late to send in an art smock for your child. If you happen to have any spare shirts that could be used as an art smock, we would greatly appreciate them to build up our 'spare smock' stash.

Thank you,

Mrs Danae Murrell
