## Principal's Report

### Thanks, Ms K

Upon returning back from my leave the overwhelming feedback from the students is that Ms K should be the principal. No surprises there as who doesn't love Ms K. Unfortunately kids you're stuck with me for a little while yet but in all seriousness a big thanks to Ms K for her awesome leadership of the school community in my absences.

### TUPS Aths Meet

Our Year 3 to Year 6 students competed at the TUBBS athletics yesterday and a fun and challenging time was experienced by all. All students had the opportunity to participate in a range of track and field events and the endeavour and willingness to try their best in each event was a clear highlight of the day. A big thanks to Mr C who coordinated the whole day and we appreciate his efforts to ensure the day ran smoothly for all the schools involved. There were a number of our students who performed well enough to be selected to represent our school at the District Athletics meet later in the term. Students will be notified

### School Dental Initiative

Information accompanying today's newsletter outlines the opportunity for your child to participate in a free dental health checkup. This will occur in a few months but the paperwork for this needs to be returned by the end of this month. Please take the time to read through the information for this and if you require any further details please touch base.

### Uniforms

A batch of new school polo shirts has arrived this week so if you were needing any please see Hayden. Also, a reminder please label student clothing so that we can find the owners. We currently have a huge amount of clothing in our lost property with the overwhelming majority being casual items that are not named. If you have noticed a few items missing from your child's wardrobe please encourage them to come and check out the many items of clothing hanging on the railing out the front of the office.

### NAPLAN Results

This week we received the first batch of data sets related to our NAPLAN results. Whilst this data is not the be-all and end-all of how well a school is performing we can take great pride in the very positive results the students achieved in all of the literacy and numeracy tests. Importantly this data will further support our planning of learning experiences throughout the second semester. To date, the data sets released are for teacher use only. Students and parents will be provided with a comprehensive report soon.

### Family Statements

Family Invoice statements will be coming out next Tuesday and these will detail money owed for excursions, school bus travel and after school care etc. Can parents/guardians please be mindful of ensuring these payments are kept up to date? Whilst I'm mindful that every penny counts in each household the school is also accountable to paying bills. We try very hard to keep extra costs to a minimum but in some circumstances we do need to charge for services and/or experiences. Thanks in advance for your support.

Mark Chandler,  
Principal.

# GOLDEN FRAME

Our teachers will be selecting a student or students learning to be shared and to celebrate the wonderful efforts or growth they have shown in their work.
