Principal's Report

Year 5/6 Urban Camp

A fantastic time was had by all the students attending the Urban Camp last week and with a jammed pack itinerary it was go, go, go. Thanks to Ms K and Mrs Gould for the awesome program they put together, their eagerness to provide a program that gave the students so many interesting and varied experiences is greatly appreciated. A shout out to Frog who also joined us on the camp bringing his energy and enthusiasm. Below are some quotes from some of the campers about their favourite parts:

Tex: Ice skating was the best because I got the hang of it eventually.

Connor: I enjoyed the ice skating because it was the first time I have ever done it, and I was the best at falling over.

Lenny: Ice skating was the best as I got to see Darcy, Tavish and Connor falling over so much and I got to try it for the first time.

Shakira: I loved the zoo because I saw the orangutan climbing

Darcy: The zoo was the best because I got to meet Mr Chandler's look alike brother who was in the orangutan enclosure.

Ashlie: The zoo was my favourite because I got to see the giraffes.

Tambo Bike Ride Fundraiser

We have scheduled for the Tambo Bike Ride to happen a little later this year given the recent camping programs and the report writing that the teachers are currently completing. This year we have increased the challenge that students can complete and like last year students can choose which bike ride they would like to tackle. Information about the bike rides is attached to the newsletter to help inform you which bike riding challenge is the best fit. Please return your child's selection form to your child's teacher by Friday 29th November. The bike ride is a fundraiser for our school and traditionally our efforts to fundraise have been outstanding. The fundraising sheet is attached so students can begin recruiting people to donate.

Parent/Student/Teacher

Interviews

The end of year interviews will take place on Tuesday the 10th December which is the 2nd last week of term. During these interviews students will be sharing with you examples of their learning, how they have progressed with their learning goals in literacy and numeracy, and teachers will also handout and discuss with you your child's end of year report. Interview times will start at 2:00pm and finish at 6:00pm and to make an interview booking please login into Xuno and select a time. If you need support with making your booking please touch base with your child's teacher or with Hayden in the office.

2025 School Year Planning

Information about class structures, grades and teachers will be shared at the beginning of the last week. During this week students will also participate in a transition afternoon where they will get to meet their new teacher and classmates. Whilst I'm going through the process of finalising these details if you think there is some information that I need to know about your child please touch base with me. What I can share with you at the moment is that we are very fortunate that all of our teachers and support staff will remain. In a time where schools are finding it very difficult to maintain consistency and continuity with their staffing profile, it is great to have commitment from all our staff.

End of Year Celebration Gathering and Graduation

(Wednesday 18th December)

Both of these events will take place on the same evening with the Graduation starting at 5:00pm and concluding at 6:00pm and our End of Year Gathering kicking off at 6:00pm and finishing at 7:30pm. Year 6 students will soon send out an invite for their parents and relatives to attend Graduation. Our End of Year Celebration Gathering will be a picnic style event with each class sharing a special performance on stage and like last year tickets will be sold for a lucky person to win a cash prize (more details to come).

Principal,
Mark Chandler.

Be Safe, Be a Friend, Be Respectful, Be a Learner, Be Responsible

GOLDEN FRAME

Each week our teachers will be selecting a student or students learning to be shared and to celebrate the wonderful efforts or growth they have shown in their work.
