Principal's Message...

Thank you for your support and encouragement regarding my new appointment. I am very excited to continue working with our fabulous community and look forward to the journey ahead! As usual, my door is always open, feel free to come in for a chat!

Congratulations!

Today Sophie and Darcie represented TUBBS in the Divisional Netball. Although the girls played really well and tried their best, they will not go on to the next level. Well done girls we are proud of you!

Olive, Keara, Paige and Sharna represented TUBBS in the Divisional Soccer today. The team was victorious after a penalty shoot-out and they now go to compete at the District level in Sale next Wednesday. Congratulations girls and good luck for next week!

Stories in the Wall

Eleven students from Purple Room have connected with Bruthen, Buchan and Clifton Creek Primary Schools this week, as they work on a creative literacy project with Arts Centre Melbourne. Students are working in small groups with playwrights to write their own scripts and will be have them recorded as an audio book. Each day this week, students have travelled to Bruthen Primary School to work on and fine-tune their scripts. An Arts Centre Melbourne staff member will visit tomorrow to set up a mobile recording studio, for students to narrate and add sound effects to their work. It has been a great opportunity for our budding young authors who have thoroughly enjoyed the project thus far!
