

# Tambo Upper PS

Term 3 - 05/08/2022

## Principal's Message

*I would like to acknowledge the traditional owners of the land on which Tambo Upper Primary school gathers, the Gunai Kurnai people. I would like to pay my respects to their elder's past, present, and emerging.*

### **PARENT HELPERS**

Thanks to the parents who are supporting some of our classes on a regular basis, your support in the classroom is greatly appreciated. We are always keen to get more parent helpers across all grade levels, so if your thinking about helping out please touch base with your child's teacher or myself. We'd love to have more parent helpers supporting our students' learning. Thanks also to Sarah, Casey and Tash for their efforts this week, painting the kitchen area in the school hall, in preparation for the installation of the new kitchen. Much appreciated team.

### **TUBBS ATHLETICS DAY.**

A fantastic effort by all those involved with the TUBBS athletics day on Wednesday, whether as an athlete or supporter. Fortunately, the weather was great for the day and the students participated with the right attitude of having a go, pushing themselves and having some fun with their friends. A special shout out to Mr C and Hayden for their background work to coordinate this event. It was also great to see many parents supporting and assisting with the running of events. Some of our students will participate in the next stage of competition in the coming weeks. More details will go home with students shortly.

### **P-2 ZOO EXCURSION**

Just to clarify to our parents about the upcoming zoo excursion, in relation to some concerns about foot and mouth disease. The zoo has confirmed with us that our visit is not a biohazard risk as we will have no direct contact with any of the animals.

## 100 DAYS OF PREP

Our awesome Preps celebrated 100 days of school today and it was great to see the students getting into the '100' theme by dressing up as 100 year olds. The students also participated in fun activities about 100 and as you can see from the picture below the costumes looked amazing. Well done to our little champs.

## CRAZY SOCK DAY

In the effort to have some fun and change things up from our normal weekly routine, students were encouraged to wear a crazy pair of socks today. It was great to see some of the efforts made to embrace this occasion and special mention to Kobe for taking it to the next level by weaving his socks into his hair style. Some crazy efforts are in the pictures below.

# Week 4 - Golden Frame

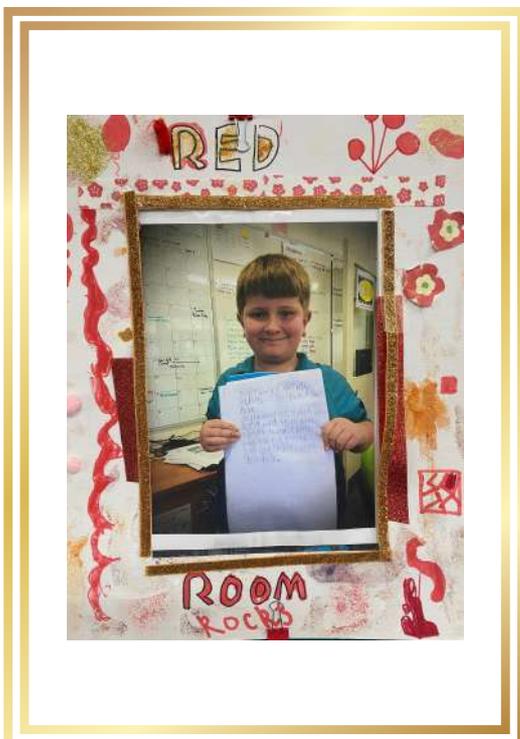

**This year, we have started a new tradition at Tambo where we celebrate student's learning with the class Golden Frame. Each week our teachers will be selecting a student or students learning to be shared and to celebrate the wonderful efforts or growth they have shown in their work.**

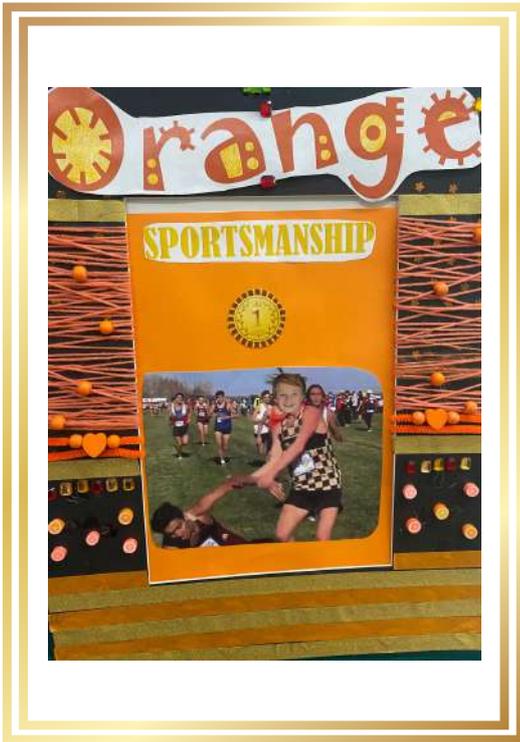

Yellow Room: Yellow Room are celebrating Lilly this week. Lilly has shown wonderful enthusiasm in everything she does! She always radiates a big smile and her cheerfulness fills Yellow Room. Keep up the amazing work Lilly!

Blue Room: This week's golden frame winner for Blue Room is Airly Taylor. Airly has made great progress with her reading. She has become a leader during her literacy groups and is choosing great fit books for her book box. Well done Airly!

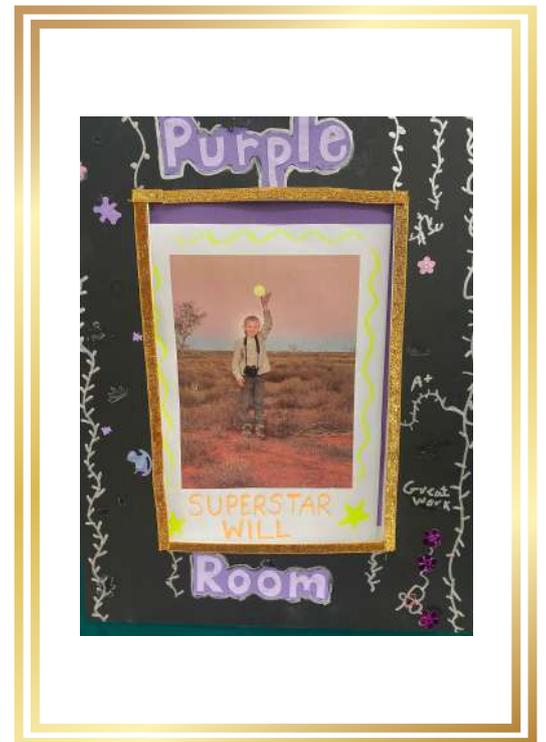

Red Room: The recipient of this weeks' Red Room frame is Oskar Domanski! He has worked hard to change his writing and is now able to create his sentences using the correct case. It took a lot of concentration and effort but Oskar has gotten rid of the working in CAPSLOCK which is an outstanding achievement. Keep it up Mr. Oskar.

Orange Room: Orange Room are celebrating Max this week for being a great sport and an excellent role model on athletics day. Thanks for your positive attitude, the effort you put into your events and your outstanding sportsmanship. Well done Max!

Purple Room: This week's Golden Frame winner for Purple Room is Will. While Will has only just started at Tambo last week, he has made a tremendous start to his time here. Will is eager to learn and is always respectful to those around him. He also showed his wonderful athletic abilities at our TUBBS Athletics this week and is a great support to all his peers. Keep up the great work Will!
