Thurs 6th TUBBS aths Day @ Howitt Park- Orange & Purple rms
Thurs 27th Book Week Parade @ 9:15am

Principal's Report

Welcome Bact to Term 3

Welcome back to Term 3! We hope all families enjoyed a relaxing break, and it has been wonderful to see our students return healthy, happy and ready for another busy term of learning, activities and fun. Term 3 promises many exciting opportunities, including our Writer's Workshop, the Book Week Parade and Dress-Up Day, TUBBS Athletics Day for our Year 3–6 students, Somers Camp for selected students, and the Year 5/6 camp to Melbourne. The event we are also eagerly anticipating is our whole-school production, Sir David Hattenscarf and the Wonders of the World, which is already generating great excitement across the school. We look forward to a fantastic term filled with learning, creativity, teamwork and memorable experiences for all students.

Best of luck TBallers

Best of luck to the TUBBS T-Ball team, who will travel to Sale next Wednesday to compete in the Regional Championships. Reaching this level is a fantastic achievement and reflects the hard work, teamwork and dedication shown by all players throughout the season. We know the team will represent TUBBS and our school community with pride and give their very best effort on the day. We are especially excited to support our Tambo Upper students—Scott, Max RL, Denzel, Seth, Arlo and Brock. Congratulations on making it this far, and we wish you all the very best for a successful and enjoyable championship experience!

State Champion Competitor

Congratulations to Zac Gordon on competing in the State Cross Country Championships in Melbourne last Thursday. We are incredibly proud of your effort, determination, and the outstanding way you represented our school and your family.

Book Fair

We are excited to announce that the Book Fair is back after a two-year hiatus! A huge thank you to Jodie for her outstanding work in getting this wonderful event up and running again. The Book Fair will be held in the school hall from 3:00–3:30 pm each day next week, and students and families are warmly invited to come along and browse the fantastic range of books. Every purchase helps support our school, with a percentage of sales going directly towards expanding and strengthening our classroom reading resources for all students.

Toilet Build Update

We are very pleased to report that we are edging closer to the completion of our new toilet facility installation. The bulk of the works, including the major service upgrades, were successfully completed over the holiday period. Only a small number of minor finishing upgrades remain before the official handover can take place, which we anticipate will occur within the next two weeks. This is an exciting milestone for our school and will provide students with modern, improved facilities that will support the comfort, wellbeing and daily needs of our school community for many years to come.

Automated Defibrillator Installed for all the Tambo Upper Community

We are pleased to announce that our school has recently installed an Automated External Defibrillator (AED) for the benefit of the entire Tambo Upper community. The AED is located on the outside of the school hall near the main entrance, making it easily accessible in the event of a medical emergency. We have shared this information through a Facebook mediapost to help raise awareness, and we encourage all families, staff and community members to continue spreading the word. By ensuring people know the AED's location, we can help create a safer and more prepared community for everyone who lives in, works in, or visits Tambo Upper.

Metung Lions Club Generous Donation

A huge shout out to the Metung Lions Club for their very generous $1,000 donation to our school this week. The Metung Lions continue to be an incredible support to many not-for-profit organisations across our local area, and we are extremely grateful for their ongoing generosity and community spirit. These funds will be directed towards supporting student participation in excursions and camps, helping to reduce costs for families and ensuring all students have access to valuable learning experiences beyond the classroom. Thank you, Metung Lions, for making such a positive difference to our school community.

TUPS- Targeting Unique Personal Strengths

School Values- Be Respectful, Be a Learner, Be Responsible

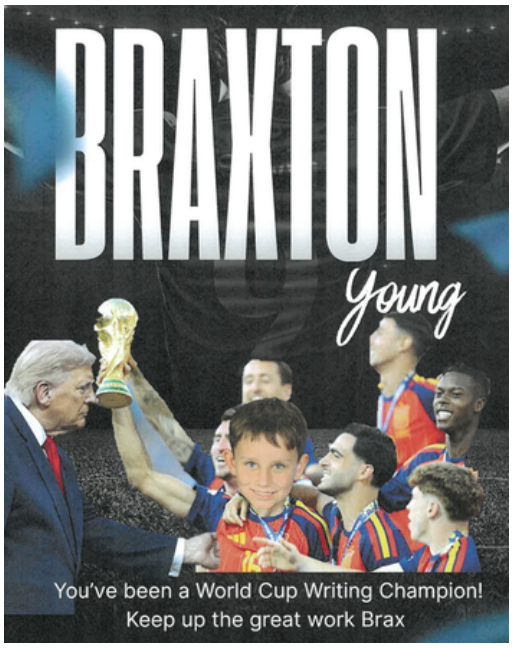
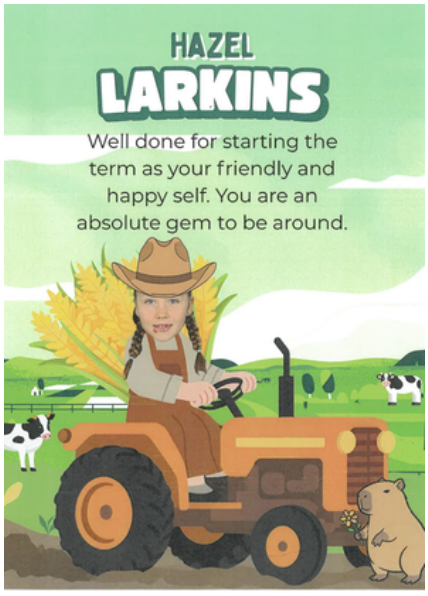
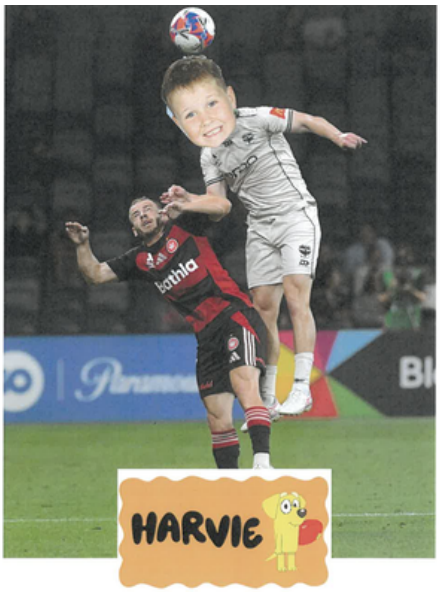
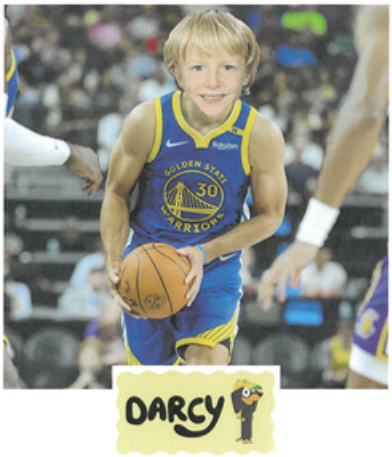
Golden Frame Winners







For his excellent hard work in all his learning, his amazing growth in his learning and for making good choices in the classroom! Keep up



for staying really focused in all his learning this week. He has done some excellent writing and been trying really hard with his Maths. Keep up the awesome work Darcy!

Just like Barbie, Sayge shines with confidence, kindness and determination! She always gives her best in her learning, is a great friend who treats everyone with kindness, and brightens every day with her big, happy smile!

Tiago Hollis kicking goals every day, always trying his best, and always making the Yellow Room a fun place to be!
